

# Rwandan Pastors Need Your Help!

Pastor Simon Nziramakenga's mission this October 25-29 is to bring together the 100 pastors, wives, and elders of the 14 churches that are part of the Good Shepherd Community Church (GSCC) in Rwanda and Congo for a conference focusing on healing prayer. ChangePoint International will provide the majority of the teaching for the 5 day conference to be held in Kigali.

This type of ministry is especially needed and valued because of Rwanda's recent genocide. The power of forgiveness will be stressed during the conference, along with personal healing dealing with the loss of friends and family to this tragedy.

ChangePoint's healing prayer was first introduced to GSCC and Pastor Simon in 2007 by ChangePoint's President, John Lenker. Lenker went with a small group to a similar conference that year, and the fraction of the teaching he was able to deliver met with astounding results. Pastor Simon saw how ChangePoint's ministry could transform his hurting country and countrymen and asked for more.

## Now you have the chance to make that happen!

The cost for the attendees to this conference is \$50 per person, or \$10 per day per person, for a total of \$5000. Because these pastors have virtually no income, this seemingly small expense is an enormous obstacle for them. **You can send one pastor to this life-changing event for just \$50.** Or, sponsor a pastor for one day for \$10. Your donation will cover the cost of food, transportation and lodging.

Sponsor a pastor and his wife today. As they experience individual wholeness, they are then able to introduce these healing concepts to their congregation. Soon whole villages will be transformed by the restoration power of the Gospel. **YOU can make a difference.**

**“Very rarely do we have an opportunity to heal so many, and this conference is only \$50 per person!”**
